

CRS Newsletter September 19, 2019

Dear Members and Fellows of the CRS, dear subscribers of the CRS mailing list

With this newsletter we will provide information and activities related to reproducibility and scientific integrity. You will also find activities by the CRS. For future newsletters, **please let us know of any information that is worthwhile spreading.**

Content

1. Advertising Good Research Practice Course (GRP)
2. ReproducibiliTea
3. Article “Solide Wissenschaft braucht Kulturwandel” in “Horizonte” magazine
4. Anne Scheel’s talk: “Equivalence Testing for Psychological Research”
5. Materials to Metascience 2019 Symposium

1. The CRS is doing a **Good Research Practice course (GRP)** next week on Friday, 27. September. There are still four out of 20 places available. The course is for all empirically working early-career scientists. Please, let PhD students and postdoctoral fellows of your group know that they can still sign-up. A course description is here <https://www.ueberfachliche-kompetenzen.uzh.ch/en/phd-courses/HS19/GRPe.html> and the detailed program can be found here <https://osf.io/t9rqm/>. Individuals can sign-up at kurse@grc.uzh.ch. For questions please contact simon.schwab@uzh.ch.
2. CRS hosts its first **ReproducibiliTea** starting today, Thursday at 16:00 in the seminar room of the EBPI (Hirschengraben 84). Leonhard Held will start the session and talk about the Royal Statistical Society discussion of his work “A new standard for the analysis and design of replication studies”. The program can be found here: <http://www.crs.uzh.ch/en/training/talks/ReproducibiliTea.html>
3. “Solide Wissenschaft braucht Kulturwandel”. **Interview** of Leonhard Held (CRS) and Hanno Würbel (University of Bern) in the “**Horizonte**” magazine. <https://www.horizonte-magazin.ch/2019/09/05/solide-wissenschaft-braucht-kulturwandel/>
4. **Anne Scheel**, Eindhoven University of Technology, will talk about “**Equivalence Testing for Psychological Research**” on Monday, 7. Oktober, 16:15. Location is Binzmühlestrasse 14, BIN-1-B.01 (Zürich Nord). <https://www.psychologie.uzh.ch/de/studium/bscmssc/master/kolloquien/denc.html>
5. There are materials available (posters and a selection of the talks) from the **Metascience 2019 Symposium at Stanford University**, see <https://osf.io/meetings/metasci2019/>. There will be videos from the talks available, but not before the end of the year.
